Dear Sir/Madam,

**Re: REFERENCE – MAX EMPLOYMENT**

Max Employment assisted Franklins Pty Ltd with recruitment of staff for a new Franklins franchise store located in Bidwill.

Max Employment approached Franklins about providing recruitment services. Within one week, they had organised interviews for approximately sixty people. The quality of the candidates was extremely high and many of the applicants put forward have now joined the Franklins team.

Franklins was working to extremely short timeframes in relation to the recruitment process for Bidwill. The Max Employment team were able to meet these deadlines, which was extremely impressive. After the interviews were undertaken, Max Employment reference checked applicants within two days to allow Franklins to commence offering jobs the following week.

The success of the recruitment process for Franklins Bidwill can largely be attributed to Fay Clark, who played a key role in the process. Fay maintained open lines of communication and was professional and courteous in all dealings with Franklins.

Max Employment provided facilities to Franklins for both recruitment and induction purposes. When working at the Max Employment offices, Franklins team members found all employees of Max to be a pleasure to deal with. The overall experience of working with Max Employment has been extremely positive and we look forward to working with Fay and her team again in the future.

I would not hesitate to recommend Max Employment as a recruitment provider. If you wish to confirm any information in this letter, please contact me on (02) 8577 4417.

Yours sincerely,
